PACIFIERS: If your child needs a pacifier while in our care, it must be attached to a holder on your child. If it is not on an attachment, he/she will not be allowed to have it in Y Kids. This is for health and sanitary reasons.

DIAPER & POTTY TRAINING: Please be sure to leave diapers and wipes for your child while in our care. If your child is in the process of potty training and is not completely trained, we ask that you put a pull-up on them while they are in our care. If your child is in cloth diapers, you must provide the correct bag for the disposal of the soiled diaper. Our staff is not allowed to rinse out cloth diapers.

CONTACT #: If you are running/walking outside or using the lakefront, we must have a cell phone number where you can be reached. Please write your cell number on the sign in sheet. If your child is visiting us for the first time, we ask that you leave a contact number as well. This will enable us to locate you quickly if needed.

MEMBER BENEFIT: Drop In Care is part of your member benefits; however, your child must be on your membership in order to use this service free of charge. You can add your child to your membership at the Sales & Service Desk.

WELLNESS: If your child shows any signs of illness (including coughing, vomiting, nasal drainage or fever) or flu/cold like symptoms, you will be located to pick up your child immediately.

TOYS & ELECTRONICS: Children should not bring toys from home to Y Kids. This includes electronic devices of any kind. (The exception is the use of devices to complete homework assignments for school age children) We are not responsible for any items brought into Y Kids.

FOR THE SAFETY OF OUR CHILDREN only staff are allowed in our classrooms. Please wait for one of our staff to open the door for your child. They will happily help your child transition to the current activity.
